

## Snuffy Hollow Pioneering Station 2015

### Equipment needed:

- 8 pieces of hemp rope whipped on the ends with string
- 4 sticks natural or man-made, roughly 18in long, 1in diameter
- 2 sticks about 4ft long roughly 1in diameter

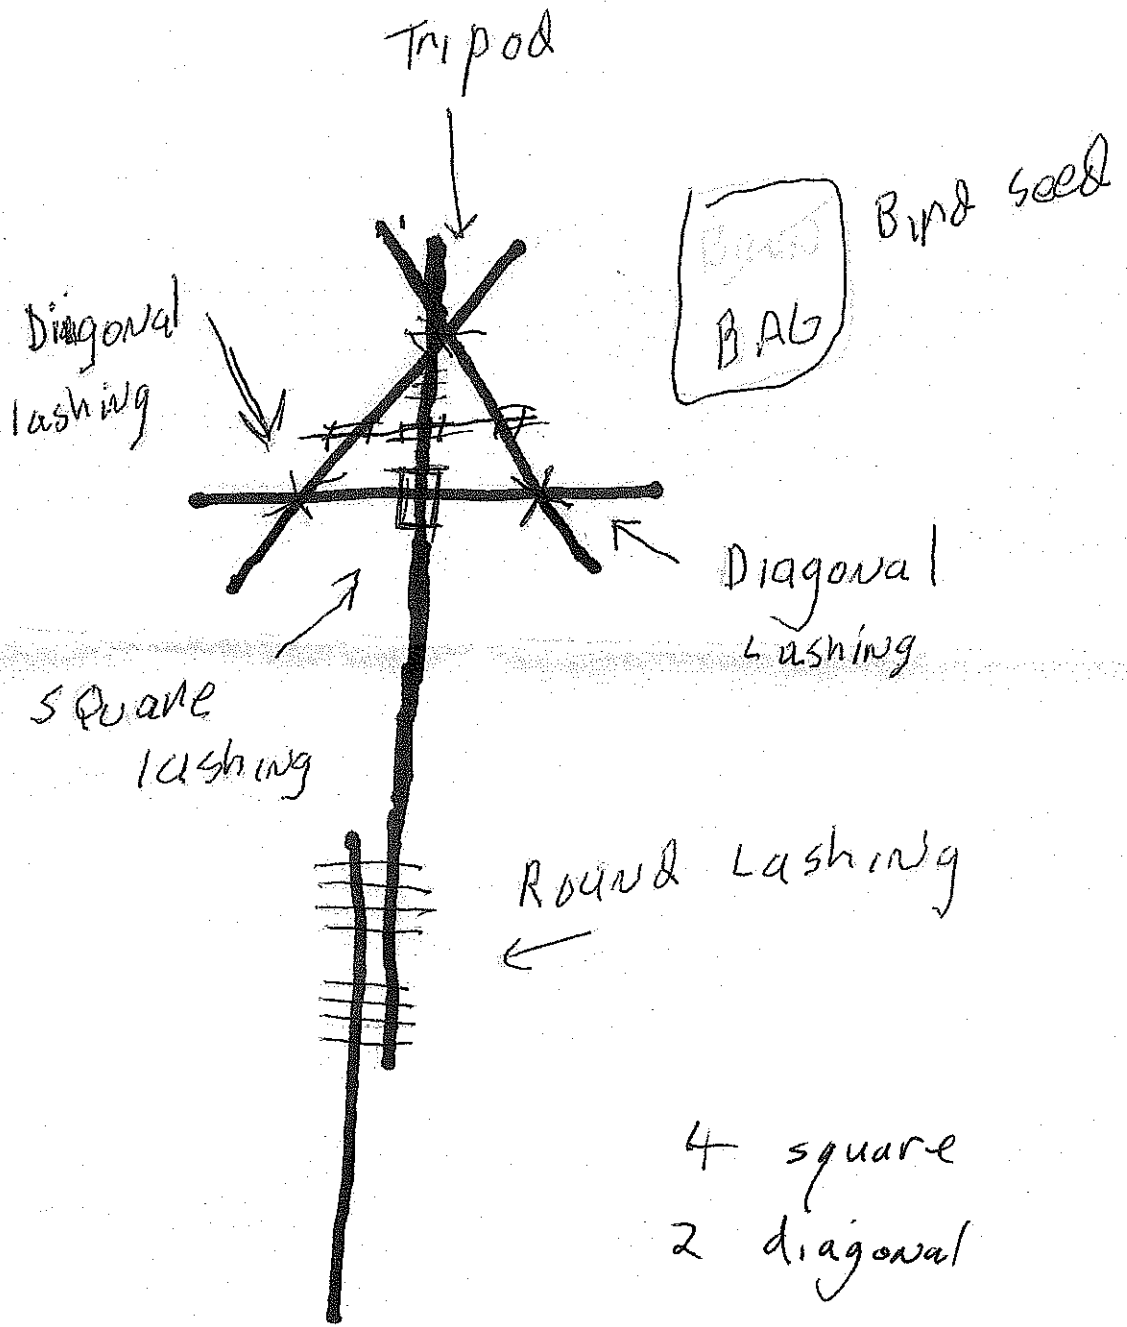

### The lashings being used for this station are:

- Square
- Diagonal
- Round
- Tripod

The objective of the station is to throw a bean bag at a designated target with the tool the patrol has lashed together.

### Points will be given for:

- Quality of lashings
- Ropes being whipped
- Accuracy of the bag being tossed at the target
- Scout spirit
- Leadership

- 4 square
- 2 diagonal
- 1 tripod
- 1 round
