

TROOP 122 HOLIDAY WREATH SALE

Once again, Troop 122 will be selling holiday wreaths as our major fundraiser. This year we will be selling 12" wreaths - \$15.00ea and we will also be offering beautifully decorated 3-4 ft long Grave Blankets - \$30.00ea.

In order for the troop to make enough profit to continue to function, we need each scout to sell a minimum of 8 items. If a scout does not sell his eight items, he will be required to buy the wreaths to make up the difference. If a scout sells more than 8, he will be entitled to half of the profit on those extra items, to go directly into his scout account to put towards dues or summer camp. Many boys were able to pay for a good part of camp last year with their earnings, so good luck!

The scouts should begin taking orders immediately. The money **MUST** be collected from the customer when taking the orders. **ALL ORDERS WITH FULL PAYMENT MUST BE TURNED IN AT OUR REGULARLY SCHEDULED MEETING ON NOVEMBER 13TH 2014.**

All boys are required to blitz for 3 hours. A schedule of blitz times will be sent out in a week or two so please make sure you pick which time slot is best for you, or you will be assigned one. Under no circumstances will a scout be allowed to sell his personal wreaths during his blitz time. Scouts will be able to pick up their personal wreaths which will need to be assembled by the scout, from Mrs. Butler's house at 15 Morford Road in Middletown, on Saturday or Sunday November 29th or 30th. (Any Grave blankets sold will be preassembled for the scout.)

The fundraiser has always been a huge success due to the hard work of the boys and their parents. We can always use volunteers to help. We will be in need of help assembling wreaths and blankets a few days before the sale begins. If you are available please call me at 732-977-7288. Thank you in advance for all of your help and anticipated cooperation.
