AGE REQUIREMENT ELIGIBILITY

Merit badges, badges of rank, and Eagle Palms may be earned by a registered Boy Scout, Varsity Scout, or Venturer. **He may earn these awards until his 18th birthday.** Any Venturer who has achieved the First Class rank as a Boy Scout in a troop or Varsity Scout in a team may continue working up to his 18th birthday toward the Star, Life, and Eagle Scout ranks and Eagle Palms. An Eagle Scout board of review may occur, without special approval, within three months after the 18th birthday. Local councils must preapprove those held three to six months afterward. To initiate approval, the candidate, his parent or guardian, the unit leader, or a unit committee member attaches to the application a statement explaining the delay. **Consult the *Guide to Advancement* in the case where a board of review is to be conducted more than six months after a candidate's 18th birthday.**

If you have a permanent physical or mental disability, or a disability expected to last more than two years, or beyond age 18, you may become an Eagle Scout by qualifying for as many required merit badges as you can and qualifying for alternative merit badges for the rest. If you seek to become an Eagle Scout under this procedure, you must submit a special application to your local council service center. Your application must be approved by your council advancement committee **before you can work on alternative merit badges.**

A Scout or Venturer with a disability may work toward rank advancement after he is 18 years of age if he meets the guidelines outlined in the *Guide to Advancement*.

Important excerpts from the [Guide To Advancement - 2013](#), No. 33088 (SKU-618673)

[1.0.0.0] — Introduction

The current edition of the *Guide to Advancement* is the official source for administering advancement in all Boy Scouts of America programs: Cub Scouting, Boy Scouting, Varsity Scouting, Venturing, and Sea Scouts. It replaces any previous BSA advancement manuals, including *Advancement Committee Policies and Procedures*, *Advancement and Recognition Policies and Procedures*, and previous editions of the *Guide to Advancement*.

[Page 2, and 5.0.1.4] — Policy on Unauthorized Changes to Advancement Program

No council, committee, district, unit, or individual has the authority to add to, or subtract from, advancement requirements. There are limited exceptions relating only to youth members with special needs. For details see section 10, "Advancement for Members With Special Needs".

[Page 2] — The "Guide to Safe Scouting" Applies

Policies and procedures outlined in the *Guide to Safe Scouting*, No. 34416, apply to all BSA activities, including those related to advancement and Eagle Scout service projects.

[10.2.2.3] — Alternative Merit Badges for Eagle Scout Rank

Though individual requirements for merit badges may not be modified or substituted, youth with special needs may request approval for alternative badges they can complete. This is allowable on the basis of one entire badge for another. To qualify, a Scout or qualified Venturer or Sea Scout must have a permanent physical or mental disability, or a disability expected to last more than two years, or beyond age 18. The member does not need to be registered beyond the age of eligibility with a disability code. Before applying, he must earn as many of the Eagle-required merit badges as possible. Any alternatives must present the same challenge and learning level as those they replace, and must be completed by the 18th birthday unless the member is registered beyond the age of eligibility (see "Registering Qualified Members Beyond Age of Eligibility," 10.1.0.0).

Scouts with special needs must complete all merit badge requirements as written. No substitutions for individual requirements are allowed. Upon finishing the Eagle-required merit badges that are possible, the Scout, with his parent or guardian, reviews the detailed requirements covered in the [Application for Alternative Eagle Scout Rank Merit Badges](#). The completed application is sent first to the district advancement committee and is then routed to the council advancement committee. It must be accompanied by supporting letters from the unit leader, a parent or guardian, and the member (if possible), as well as a written statement from a qualified health professional related to the nature of the disability. This may be, for example, a physician, neurologist, psychiatrist, psychologist, etc., or when appropriate, an educational administrator in special education. Statements must describe the disability; cover the Scout's capabilities, limitations, and prognosis; and outline why the merit badge(s) cannot be completed. Additional information such as Individualized Education Plans provided to parents by schools, and various treatment summaries and reports, may help an advancement committee make an informed decision. All alternative badges should be included on just one form.

The advancement committee reviews the application, using the expertise of professionals involved with youth who have disabilities. To make a fair determination, the committee may want to interview the Scout, his parent(s) or guardian(s), and the unit leader. The committee's decision should be recorded and delivered to the Scout and the unit leader. Once this is done, the Scout may begin working with a merit badge counselor on the approved alternative merit badges.

When applying for the Eagle Scout rank, a candidate with disabilities must attach the Eagle Scout Rank Application to the approved Application for Alternative Eagle Scout Rank Merit Badges. The form can be found at <http://www.scouting.org/forms.aspx>. It is important to remember that requirements for merit badges cannot be changed in any way, and all requirements must be completed as written.
